I think around 5pm. A drink. Best for me is at the Mark Hotel, 76th on Madison. We can spend an "social" hour, know each other a little bit and discuss business in a less formal setting which is sometimes more effective. Can be done on different days for the different individuals. Preferably NOT on the 19th.

Let me know when you set it tentatively.

Best

Prime Minister Barak,

Thank you for taking the time to speak yesterday. I fully understand your directions on the most effective and appropriate way for you to engage with current and potential Ergo clients. I look forward to sitting down and discussing this when you're in New York.

In the meantime, there are two clients with whom we've already spoken about you and who are interested in meeting. With your permission, and based on your guidance, I'd like to invite the following two gentlemen to join us for a meal or a drink:

- Peter Hancock, AIG
- Jonathan Soros, JS Capital

We could meet at the Four Seasons, the Brook Club, or another appropriate venue. Please let me know your thoughts.

I look forward to seeing you in a few weeks,

All the Best,

RP
